MEMORANDUM FOR: Project Director of Operations 5 April 1957

SUBJECT : Limited Briefing of Project RAINBOW

REFERENCE : SAPC-13941

1. I am returning herewith with my concurrence your request for some seven individuals in the Operations Section to be given a limited briefing on Project RAINBOW. The briefing should be an occasion for requesting their full cooperation regarding the security of this Project.

2. I had originally contemplated a meeting including other components of our Headquarters at which this briefing would be given. This purpose was partially accomplished, however, in the staff meeting on 3 April. Accordingly, I suggest that you give the further briefing to the listed members of your own section.

RICHARD M. BISSELL, JR.
